

## NELSON BAY CIVIC PRIDE TEAM ‘WORKING BEE’ - SUNDAY 27th May 2018

### FEATURES

- We would like to report that **72 Volunteers** (mostly community members) assisted with the Nelson Bay CBD Clean up and Gardening Day who were highly visible in their VESTS
- About **20 Businesses** contributed to the success of the day both financially and In Kind – *“A big Thankyou”* and please convey to your staff
- About **8 Business Owners** volunteered themselves or staff on the day so *a special thankyou* to them as well
- **Port Stephens Council** provided extensive materials and other resources as well as many of their staff volunteered their services — many of them do not even reside in Port Stephens
- There is still some unfinished work including seat painting and a few gardens which will be undertaken in the near future-any assistance would be welcome
- We presented two businesses with Certificates of Appreciation - Essence Café and Cocowillow - for their prior contribution to the improved presentation of our Town
- Many Businesses agreed to Adopt a Garden (mostly in front of their premises). If you would like to Adopt a Garden we will provide you with a small plaque to go in the garden with your Business name on it
- If you adopt and look after a garden we will provide basic guidelines
