

Testimonial from the Marina Ice Creamery – Nelson Bay

“6th September 2019

Hello Peter

Apologies for the delay...we were waiting for our latest power bill to arrive so that we have a broader time span to assess savings.

In the 8 months beginning Jan 2019 when we moved over to Blue NRG (from Energy Aust) we are saving on average \$358 per month.

Hope this helps your program.

Regards

Garry

PS The Seafood Jazz Weekend was a triumph – thank you to all the organizers.”
