## **BUSINESS UPDATE COVID-19**

We invite you to become a friend on Facebook so that you see our regular updates relating to Covid-19 Government and Council announcements.

### **OPPORTUNITIES**

If you are one of our members and as a way of helping you through this crisis, we would like to offer you the opportunity to provide information to us relating to the products and services that your business is currently offering.

For example, **you can advise us as follows:**

- **Restaurants and other food and beverage businesses**- Are you open for takeaway? If so provide us with a link to your takeaway menu on your website.
- **Retail** - Is your store/shop open to the public or are your doors closed **BUT** you are still operating online? Provide us with a link to your website or online store.
- **Hairdressers/Barbers/other services** - Are you operating and what services are you offering including hours of operation?
- **Business to Business** - Are you operating and what products or services are you offering?
- Also if you have a physical presence in a shopping precinct **do you have signage advising trading hours/services offered and directing people** to your website.
- Have you **Updated your website?**

**We will include this information on the TBC website and social media platforms so let us know ASAP so that we can update them.**

Also, if you have a Google Business listing, you can easily update your opening hours and position and should do so immediately and whenever there is a change.
